

LETTER OF NOTIFICATION: CHANGE OF PRACTICE ADDRESS: DR. R. GILL, Rheumatologist, RVHS

Dear Patient,

This is to notify that I am transitioning my rheumatology practice from RVHS to a **new office**, Vital Medical Group (the address specified below). This process will take next 3-4 months. During the transition process, your appointments will be conducted through one of these two offices, either virtually or in person. You will receive a reminder call for your appointments few days in advance. Please note that we are dealing with technical difficulties at RVHS. Please continue to check rvhs.ca for further updates.

NEW OFFICE ADDRESS:

VITAL MEDICAL CENTRE (located in Hunt Club Market Place)

224 Hunt Club Rd, Ottawa, ON K1V 1C1

Ph:613-248-1010

Fax:613-248-1019

Please note that if for any specific reasons, the new office location is not suitable to you, your primary care practitioner/referring physician can refer you to another rheumatologist. I will continue to provide care to you until you will be accepted by a new rheumatologist, in that case.

Thank you for your understanding on this matter.

Sincerely,

Dr R. Gill

Rheumatology
